## Duval Central Plaza Pharmacy

Step-by-step instructions for  
requesting refills online or on your smartphone.

## Prescription Refills on the Go

With the mobileRx® app, you can request refills from anywhere at any time from your iPhone® or Android™ phone.

## Setup, App Version

Scan the QR code to download the app, and enter your pharmacy's phone number (**9042531530**). That will take you to the home screen where you can choose from the different options for requesting refills.

## Setup, Web-Browser Version

Visit [m.mobilerx.net/DuvalCentralPlazaPharmacy](http://m.mobilerx.net/DuvalCentralPlazaPharmacy), and enter your pharmacy's phone number, area code first, with no spaces or dashes (**9042531530**).

*For assistance, please contact your pharmacy.*

## Express Refills

This feature allows you to enter up to three prescription numbers to be refilled at a time. To request more than three refills, repeat the process.

This feature notifies you instantly if prescriptions are accepted or if there is an error.

## Scan a Prescription

Scan the barcode label on the prescription bottle, and click Submit Refill(s).\*

## Patient Profile

This is an optional service. If available, choose the Sign Up option, fill out the registration form and answer the verification questions. Create a user name and password. Verify your name, birth date and phone number are current with what your pharmacy has on file.\*

## Pharmacy Information

This option provides information about your pharmacy, including name, address, phone number and hours of operation.\*

*\*Not available with Web-browser version*
