

OUR MISSION

The mission of the Florida Department of Health in Duval County (DOH-Duval) is to PROTECT, PROMOTE, and IMPROVE the health of all people in Florida.

The Sharps Home User Disposal Program is designed to give residents and visitors of Duval County a safe method for disposing of used sharps or needles.

Help boost public safety by participating in this free program.

The Sharps Home User Disposal Program is for the private sector only.

WHY DO WE NEED A SHARPS DISPOSAL PROGRAM?

Thousands of people use needles or "sharps" in their homes to care for their health or the health of a family member. Sharps must be disposed of properly to protect people from life-threatening infections.

HOW TO DISPOSE OF USED SHARPS:

1. Obtain a free sharps container from one of the Florida Department of Health in Duval County Sharps Collection Sites or you may purchase a sharps container from a local pharmacy or discount store.
2. Throw away used sharps in the approved container.
3. Only fill the sharps container 3/4 full. Secure the lid with tape.
4. Drop off the sharps container at one of our convenient locations.
