[] This water system does not provide water to the general public for consumption as defined in Chapter 381.0062, Florida Statutes, (F.S.). I agree to operate the water system in accordance with Chapters 381.0062, F.S. and 64E-8, Florida Administrative Code (F.A.C.).
initial

[] I understand that in order to maintain potable water status standards as required by the federal Occupational Health and Safety Administration (OSHA) Rule 29 CFR 1910.141 and the State Plumbing Code, I must submit one satisfactory water quality analysis result for coliform bacteria each calendar year, using approved methods performed by a Department of Health certified laboratory.
initial

[] I understand that modification to the components or the use of this water system requires prior approval by the _____ County Health Department. I understand that change of ownership or business activity requires re-registration, including application fees and water quality analysis.
initial

[] I understand that this Registration is subject to revocation if the water quality fails to comply with the standards of Chapter 64E-8, F.A.C. or if the system is used to provide water for consumption to the general public. I understand that re-registration may be required if I fail to perform annual water quality analysis for coliform bacteria.
